The conference call will also be broadcast live over the Internet and available for replay for a year at www.uei.com. In addition, a replay of the call will be available via telephone for 2 business days, beginning two hours after the call. To listen to the replay, in the U.S., please dial 800-642-1687 and international the number is 706-645-9291. Enter access code 3443774.

Any additional or updated material, non-public information that might be discussed during the call will be provided on the company's website at www.uei.com shortly after the call and will be retained there for at least twelve months.

About Universal Electronics

Universal Electronics Inc., based in Southern California, develops firmware and turnkey solutions as well as software designed to enable consumers to wirelessly connect, control and interact with an increasingly complex home environment. The company's primary markets include original equipment manufacturers (OEMs) in consumer electronics and personal computing, as well as multiple system operators in the cable and satellite subscription broadcasting markets. Over the past 16 years, the company has developed a broad portfolio of patented technologies and the industry's leading database of home connectivity software that it licenses to its customers, including many leading Fortune 500 companies. In addition, UEI sells its universal wireless control products and other audio/visual accessories through its European headquarters in The Netherlands, and to distributors and retailers in Europe, Asia, Latin America, South Africa and Australia/New Zealand under the One For All(R) brand name. More information about UEI can be obtained at <http://www.uei.com>.
