

Universal Electronics Named One of Orange County's Fastest Growing Technology Companies in Deloitte's Technology Fast 50 Program Second Year in a Row

October 5, 2006

Business Editors/High-Tech Writers

CYPRESS, Calif.--(BUSINESS WIRE)--Oct. 5, 2006--Universal Electronics Inc. (UEI) (NASDAQ:UEIC) has been named to Deloitte's prestigious Technology Fast 50 Program for Orange County, a ranking of the 50 fastest growing technology, media, telecommunications and life sciences companies in the area by Deloitte & Touche USA LLP, one of the nation's leading professional services organizations. Rankings are based on the percentage revenue growth over five years from 2001-2005.

This year's Orange County Technology Fast 50 program is co-presented by Deloitte & Touche USA LLP and Porsche Motorsport, Continental Airlines, DLD Insurance, McDermott & Bull, Comerica, Stradling Yocca Carlson & Rauth, Cresa Partners and Merrill Corporation, in association with AeA and the Technology Council of Southern California.

To qualify for the Technology Fast 50, companies must have had operating revenues of at least \$50,000 in 2001 and \$5,000,000 in 2005, be headquartered in North America, and be a company that owns proprietary technology or proprietary intellectual property that contributes to a significant portion of the company's operating revenues; or devotes a significant proportion of revenues to the research and development of technology. Using other companies' technology or intellectual property in a unique way does not qualify.

Winners of the 16 regional Technology Fast 50 programs in the United States and Canada are automatically entered in Deloitte's Technology Fast 500 program, which ranks North America's top 500 fastest growing technology, media, telecommunications and life sciences companies. For more information on Deloitte's Technology Fast 50 or Technology Fast 500 programs, visit www.fast500.com.

About Universal Electronics

Founded in 1986, Universal Electronics Inc. (UEI) is the global leader in wireless control technology for the connected home. UEI designs, develops, and delivers innovative solutions that enable consumers to control entertainment devices, digital media, and home systems.

The company's broad portfolio of patented technologies and database of infrared control software have been adopted by many Fortune 500 companies in the consumer electronics, subscription broadcast, and computing industries. UEI sells and licenses wireless control products through distributors and retailers under the One For All(R) brand name. UEI also delivers complete home control solutions in the professional custom installation market under the brand name Nevo(R), as well as software solutions for digital media control and enjoyment in the consumer and OEM markets under the brand SimpleCenter(TM).

About Deloitte

Deloitte refers to one or more of Deloitte Touche Tohmatsu, a Swiss Verein, its member firms and their respective subsidiaries and affiliates. As a Swiss Verein (association), neither Deloitte Touche Tohmatsu nor any of its member firms has any liability for each other's acts or omissions. Each of the member firms is a separate and independent legal entity operating under the names "Deloitte", "Deloitte & Touche", "Deloitte Touche Tohmatsu" or other related names. Services are provided by the member firms or their subsidiaries or affiliates and not by the Deloitte Touche Tohmatsu Verein.

Deloitte & Touche USA LLP is the US member firm of Deloitte Touche Tohmatsu. In the US, services are provided by the subsidiaries of Deloitte & Touche USA LLP (Deloitte & Touche LLP, Deloitte Consulting LLP, Deloitte Financial Advisory Services LLP, Deloitte Tax LLP and their subsidiaries), and not by Deloitte & Touche USA LLP.

This press release contains forward-looking statements that are made pursuant to the Safe-Harbor provisions of the Private Securities Litigation Reform Act of 1995. Words and expressions reflecting something other than historical fact are intended to identify forward-looking statements. These forward-looking statements involve a number of risks and uncertainties, including the Company's continued ability to design products in a fashion that results in its technology being accepted by the companies customers and the end users; the continued growth in the markets identified in this release to occur as anticipated by management; and other factors described in the Company's filings with the Securities and Exchange Commission. The actual results that the Company achieves may differ materially from any forward-looking statement due to such risks and uncertainties. The Company undertakes no obligations to revise or update any forward-looking statements in order to reflect events or circumstances that may arise after the date of this release.
