

Universal Electronics to Present at the Needham 9th Annual Growth Conference on January 11th

January 8, 2007

CYPRESS, Calif., Jan 08, 2007 (BUSINESS WIRE) -- Leading wireless technology developer Universal Electronics Inc. (UEI) (NASDAQ: UEIC) today announced management will present at the Needham 9th Annual Growth Conference on Thursday, January 11th at 11:00 a.m. Eastern Time. The conference will be held at New York Palace Hotel in New York, NY.

Paul Arling, chairman and chief executive officer, and Bryan Hackworth, vice president and chief financial officer, will discuss company strategy. The presentation will be broadcast over the Internet at www.uei.com, and will be available via webcast from the company's website for a period of 30 days after the original conference presentation.

About Universal Electronics

Founded in 1986, Universal Electronics Inc. (UEI) is the global leader in wireless control technology for the connected home. UEI designs, develops, and delivers innovative solutions that enable consumers to control entertainment devices, digital media, and home systems.

The company's broad portfolio of patented technologies and database of infrared control software have been adopted by many Fortune 500 companies in the consumer electronics, subscription broadcast, and computing industries. UEI sells and licenses wireless control products through distributors and retailers under the One For All(R) brand name. UEI also delivers complete home control solutions in the professional custom installation market under the brand name Nevo(R), as well as software solutions for digital media control and enjoyment in the consumer and OEM markets under the brand SimpleCenter(TM).
