

Universal Electronics to Participate at the 10th Annual Pacific Crest Technology Leadership Forum on August 4th - This event has been cancelled due to weather.

July 21, 2008

CYPRESS, Calif., Jul 21, 2008 (BUSINESS WIRE) -- Universal Electronics Inc. (UEI), (NASDAQ:UEIC) announced management will present at the 10th Annual Pacific Crest Technology Leadership Forum on Monday, August 4th at 10:00 a.m. MT/9:00 a.m. PT. Paul Arling, chairman and chief executive officer, and Bryan Hackworth, senior vice president and chief financial officer, will participate in Pacific Crest's interactive discussions. The event is being held at the Sonnenalp Resort in Vail, Colorado.

The discussion will be webcast live and available on the company's web site at www.uei.com. In addition, a replay will be available for a period of 90 days thereafter.

About Universal Electronics

Founded in 1986, Universal Electronics Inc. (UEI) is the global leader in wireless control technology for the connected home. UEI designs, develops, and delivers innovative solutions that enable consumers to control entertainment devices, digital media, and home systems. The company's broad portfolio of patented technologies and database of infrared control software have been adopted by many Fortune 500 companies in the consumer electronics, subscription broadcast, and computing industries. UEI sells and licenses wireless control products through distributors and retailers under the One For All(R) brand name. UEI also delivers complete home control solutions in the professional custom installation market under the brand name Nevo(R), as well as software solutions for digital media control and enjoyment in the consumer and OEM markets under the brand SimpleCenter(TM). For additional information, visit our web site at www.uei.com.
