### **About Universal Electronics Inc.**

Founded in 1986, Universal Electronics Inc. (UEI) is the global leader in wireless control technology for the connected home. UEI designs, develops, and delivers innovative solutions that enable consumers to control entertainment devices, digital media, and home systems. The company's broad portfolio of patented technologies and database of infrared control software have been adopted by many Fortune 500 companies in the consumer electronics, subscription broadcast, and computing industries. UEI sells and licenses wireless control products through distributors and retailers under the One For All® brand name. UEI also delivers complete home control solutions in the professional custom installation market under the brand name Nevo®, as well as software solutions for digital media control and enjoyment in the consumer and OEM markets under the brand SimpleCenter™. For additional information, visit our web site at [www.uei.com](http://www.uei.com).
