UNIVERSAL ELECTRONICS REPORTS FOURTH QUARTER AND YEAR-END 2017 FINANCIAL RESULTS

SANTA ANA, CA – February 22, 2018 – Universal Electronics Inc. (UEI), (NASDAQ: UEIC) reported financial results for the three and twelve months ended December 31, 2017.

Paul Arling, UEI's chairman and CEO, stated, "2018 began with a strong showing at CES, where we demonstrated devices with the latest voice navigation technology as well as Netflix and TiVo buttons. We also revealed our microphone, data compression, radio, fit and finish, and automatic speech recognition (ASR) capabilities in the new voice remote control for DISH. These and many more ongoing technological advances keep UEI at the forefront of control. Our fourth quarter revenue grew 13% reflecting strong performance from our home security products, European subscription broadcasting and OEM relationships in the Asia Pacific region. We expect this trend toward advanced, intuitive 2-way home entertainment systems to continue as additional customers launch their version of advanced platforms with us throughout 2018."

Financial Results for the Three Months Ended December 31: 2017 Compared to 2016

- GAAP net sales were \$181.2 million, compared to \$160.5 million; Adjusted Non-GAAP net sales were \$180.7 million, compared to \$160.1 million.
- GAAP gross margins were 20.9%, compared to 25.7%; Adjusted Non-GAAP gross margins were 23.6%, compared to 26.9%.
- GAAP operating loss was \$0.5 million, compared to income of \$6.3 million; Adjusted Non-GAAP operating income was \$10.4 million, compared to \$13.9 million.
- GAAP net loss was \$16.9 million, or \$1.19 per diluted share, compared to GAAP net income of \$3.2 million or \$0.22 per diluted share; Adjusted Non-GAAP net income was \$8.7 million, or \$0.60 per diluted share, compared to \$11.0 million, or \$0.74 per diluted share.
- At December 31, 2017, cash and cash equivalents were \$62.4 million.

Financial Results for the Twelve Months Ended December 31: 2017 Compared to 2016

- GAAP net sales were \$695.8 million, compared to \$651.4 million; Adjusted Non-GAAP net sales were \$696.5 million, compared to \$654.1 million.
- GAAP gross margins were 23.8%, compared to 25.2%; Adjusted Non-GAAP gross margins were 25.6%, compared to 26.2%.
- GAAP operating income was \$10.7 million, compared to \$25.4 million; Adjusted Non-GAAP operating income was \$53.4 million, compared to \$53.5 million.
- GAAP net loss was \$10.3 million, or \$0.72 per diluted share, compared to GAAP net income of \$20.4 million or \$1.38 per diluted share; Adjusted Non-GAAP net income was \$41.1 million, or \$2.81 per diluted share, compared to \$42.5 million, or \$2.88 per diluted share.

Bryan Hackworth, UEI's CFO, stated: "Overall, we are pleased with our top line results, as net sales grew 13 percent, driven by the worldwide adoption of our higher end platforms as well as the continued growth in home security. Improving our gross margin is a top priority, and to accomplish this goal we have implemented several measures including product rationalization and improvements in factory production. We expect our gross margin rate to expand sequentially, which is embedded in our first quarter guidance, and to continue to improve throughout the remainder of 2018."

Financial Outlook

For the first quarter of 2018, the company expects GAAP net sales to range between \$169 million and \$177 million, compared to \$161.4 million in the first quarter of 2017. GAAP earnings per diluted share for the first quarter of 2018 is expected to range from \$0.13 to \$0.23, compared to GAAP earnings per diluted share of \$0.01 in the first quarter of 2017.

For the first quarter of 2018, the company expects Adjusted Non-GAAP net sales to range between \$169 million and \$177 million, compared to \$162.3 million in the first quarter of 2017. Adjusted Non-GAAP earnings per diluted share are expected to range from \$0.60 to \$0.70, compared to Adjusted Non-GAAP earnings per diluted share of \$0.62 in the first quarter of 2017. The first quarter Adjusted Non-GAAP earnings per diluted share estimate excludes \$0.47 per share related to stock-based compensation, amortization of acquired intangibles, changes in contingent consideration relating to acquisitions, effects of foreign currency fluctuations and the related tax impact of these adjustments.

Use of Non-GAAP Financial Metrics

In addition to reporting financial results in accordance with generally accepted accounting principles, or GAAP, UEI provides Adjusted Non-GAAP information as additional information for its operating results. References to Adjusted Non-GAAP information are to non-GAAP financial measures. These measures are not required by, in accordance with, or an alternative for, GAAP and may be different from non-GAAP financial measures used by other companies. UEI's management uses these measures for reviewing the financial results of UEI, for budget planning purposes, and for making operational and financial decisions and believes that providing these non-GAAP financial measures to investors, as a supplement to GAAP financial measures, helps investors evaluate UEI's core operating and financial performance and business trends consistent with how management evaluates such performance and trends. Additionally, management believes these measures facilitate comparisons with the core operating and financial results and business trends of competitors and other companies.

Adjusted Non-GAAP net sales is defined as net sales excluding the impact of stock-based compensation for performance-based warrants. Adjusted Non-GAAP gross profit is defined as gross profit excluding stock-based compensation expense, cost of goods sold and depreciation expense related to the increase in inventories and fixed assets from cost to fair market value resulting from acquisitions, amortization of intangibles acquired, excess manufacturing costs resulting from the closure of our Guangzhou factory, and factory transition costs. Adjusted Non-GAAP operating expenses are defined as operating expenses excluding amortization of intangibles acquired, stock-based compensation expense, employee related restructuring costs, litigation settlement costs, transaction costs related to the sale of our Guangzhou factory, and changes in contingent consideration related to acquisitions as well as other acquisition related costs and nonrecurring items. Adjusted Non-GAAP net income is defined as net income excluding the aforementioned items, foreign currency gains and losses, and the related tax effects of all adjustments, as well as income tax expense representing the estimated tax impact of the U.S. Tax Cuts and Jobs Act, the income tax effects of nondeductible projected losses to be incurred as a result of the shutdown of the company's Guangzhou factory, the effect of net deferred tax asset adjustments related to tax incentives at one of our other China factories, and other nonrecurring income tax items. Adjusted Non-GAAP diluted earnings per share attributable to Universal Electronics Inc. is calculated using Adjusted Non-GAAP net income attributable to Universal Electronics Inc. A reconciliation of these financial measures to the most directly comparable GAAP financial measures is included at the end of this press release.

Note on Forward-looking Statements

This press release and accompanying schedules contain "forward-looking statements" within the meaning of federal securities laws, including net sales, profit margin and earnings trends, estimates and assumptions; our expectations about new product introductions; and similar statements concerning anticipated future events and expectations that are not historical facts. We caution you that these statements are not guarantees of future performance and are subject to numerous risks and uncertainties, including those we identify below and other risk factors that we identify in our most recent annual report on Form 10-K and the periodic reports filed thereafter. Risks that could affect forward-looking statements in this press release include the continued adoption of our advanced control technologies by our customers as anticipated by management, including our voice control technologies; the continued and timely launching by our customers of our advanced, intuitive 2-way home entertainment systems and technologies as expected by management; the continued growth of our customers in certain geographic locations as expected by management; our ability to successfully and profitably transition our manufacturing operations and maintain and/or improve our margins and cost effective operations. Any of these factors could cause actual results to differ materially from the expectations we express or imply in this press release. We make these forward-looking statements as of February 22, 2018. We undertake no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.
